

REGIONAL MUNICIPALITY OF HALTON**NOTICE OF PUBLIC INFORMATION CENTRE #2
Halton Region Active Transportation Master Plan Study
PR-2875A****Study**

The Regional Municipality of Halton has initiated an Active Transportation Master Plan to the year 2031 to develop the required strategy, infrastructure, initiatives and programs to promote non-motorized travel throughout the Region, as recommended in the Region's Transportation Master Plan (2031) – The Road to Change. The Region's objective is to create an Active Transportation Master Plan that is safe, affordable and sustainable.

Active Transportation is any form of human-powered transportation, which includes walking, cycling, roller-blading and movements with mobility devices. An Active Transportation network includes sidewalks, multi-use paths, crosswalks, on-road cycling facilities, as well as recreational trails.

Process

The Active Transportation Master Plan is a study which defines existing problems/opportunities, considers and evaluates solutions, and will identify cycling and walking networks to the year 2031. A key outcome of the study is a list of active transportation projects that the Region can incorporate in its 20-year Roads Capital Program. This study is being conducted in accordance with the Municipal Class Environmental Assessment (EA) process (October 2000, as amended in 2007 and 2011).

The first round of Public Information Centres were held in June 2012 to present the study background, vision, guiding principles and problems/opportunities. Thereafter, a preferred active transportation strategy was determined taking into consideration comments that were received from the Local Municipalities, regulatory agencies and the public. A second round of Public Information Centres has been arranged to review and receive comments from the public on the proposed active transportation (cycling and walking) networks and supporting recommendations.

Public Information Centre Locations

Date	Time	Location
Tuesday, November 19, 2013	Drop-in: 6:30 p.m. - 8:30 p.m.	Milton Centre for the Arts 1010 Main Street East, Milton, ON L9T 6H7 (MinMaxx Hall)
Wednesday, November 20, 2013	Drop-in: 6:30 p.m. - 8:30 p.m.	Halton Regional Centre 1151 Bronte Road, Oakville, ON L6M 3L1 (Auditorium)
