PART A THE PREAMBLE

Purpose

The purpose of this Amendment is to introduce lot creation policies for the purposes of permitting severances of surplus farm residences.

Location

These policies will apply to all lands in the rural area in the Halton Planning Area outside of Settlement Areas, the Niagara Escarpment Plan Escarpment Natural Area and the Niagara Escarpment Plan Mineral Resource Extraction Area.

Basis

On July 22, 2016 the Halton Region Federation of Agriculture submitted an application to amend Section 66 of the Halton Regional Official Plan to permit lot creation for the severance of surplus farm residences in the Agricultural System of Halton Region.

On June 14, 2017, Regional Council passed a motion directing staff to “prepare an amendment to the Halton Regional Official Plan for consideration in January 2018 to enable Local Municipalities in Halton to amend their Official Plan to permit the severance of a residence surplus to a farming operation for the purposes of farm consolidation provided that restrictions are put in place to limit the use of the remnant agricultural lot to Agricultural Purposes Only.”

Additionally, Regional Council requested that the Halton Region Federation of Agriculture be requested to suspend the processing of Application RQ58A – An Amendment to Permit Surplus Farm Dwelling Severances in Halton’s Rural Area.

This Amendment supports and is in keeping with the following objectives of the Regional Official Plan:

- Recognize agriculture as the primary land use in rural areas
- Promote normal farm practices and protect the right to farm
