**RE: NOTICE OF ROAD CLOSURE (Northbound Lanes)
Related to Storm Sewer Repairs on Tremaine Road (Regional Road 22),
South of Steeles Ave., Wards 2, 3 and 8, Town of Milton,
Our File: PR-2261C**

Dear Resident/Property Owner:

Please be advised that Halton Region will be closing Tremaine Road (Regional Road 22) **Northbound Lanes** between Main Street West and Steeles Avenue on Tuesday, June 12, 2018 at 6:00 a.m. The closure is to facilitate emergency repairs under Contract R-2261C-13 to an existing culvert under the roadway. The road is expected to re-open on Thursday, June 14, 2018 at 6:00 a.m.

Motorists will be detoured along Main Street to the east ([see attached map](#)) and should expect delays when travelling through the area.

Thank you for your patience and we apologize for any inconvenience this may cause. We will make every effort to complete the construction work as quickly as possible to lessen the impact of the road closure. Emergency vehicle access and local access will be maintained at all times.

This project is part of *Building a Better Halton*, the Region's infrastructure construction plan for roads, water, wastewater, and waste management projects across Halton Region. For more information on Regional construction projects, please visit **www.halton.ca/construction**.

If you have any questions or require additional information, please dial 311 or contact me directly at 905-825-6000 (toll-free 1-866-442-5866), ext. 7620, or by email at david.collum@halton.ca

Sincerely,

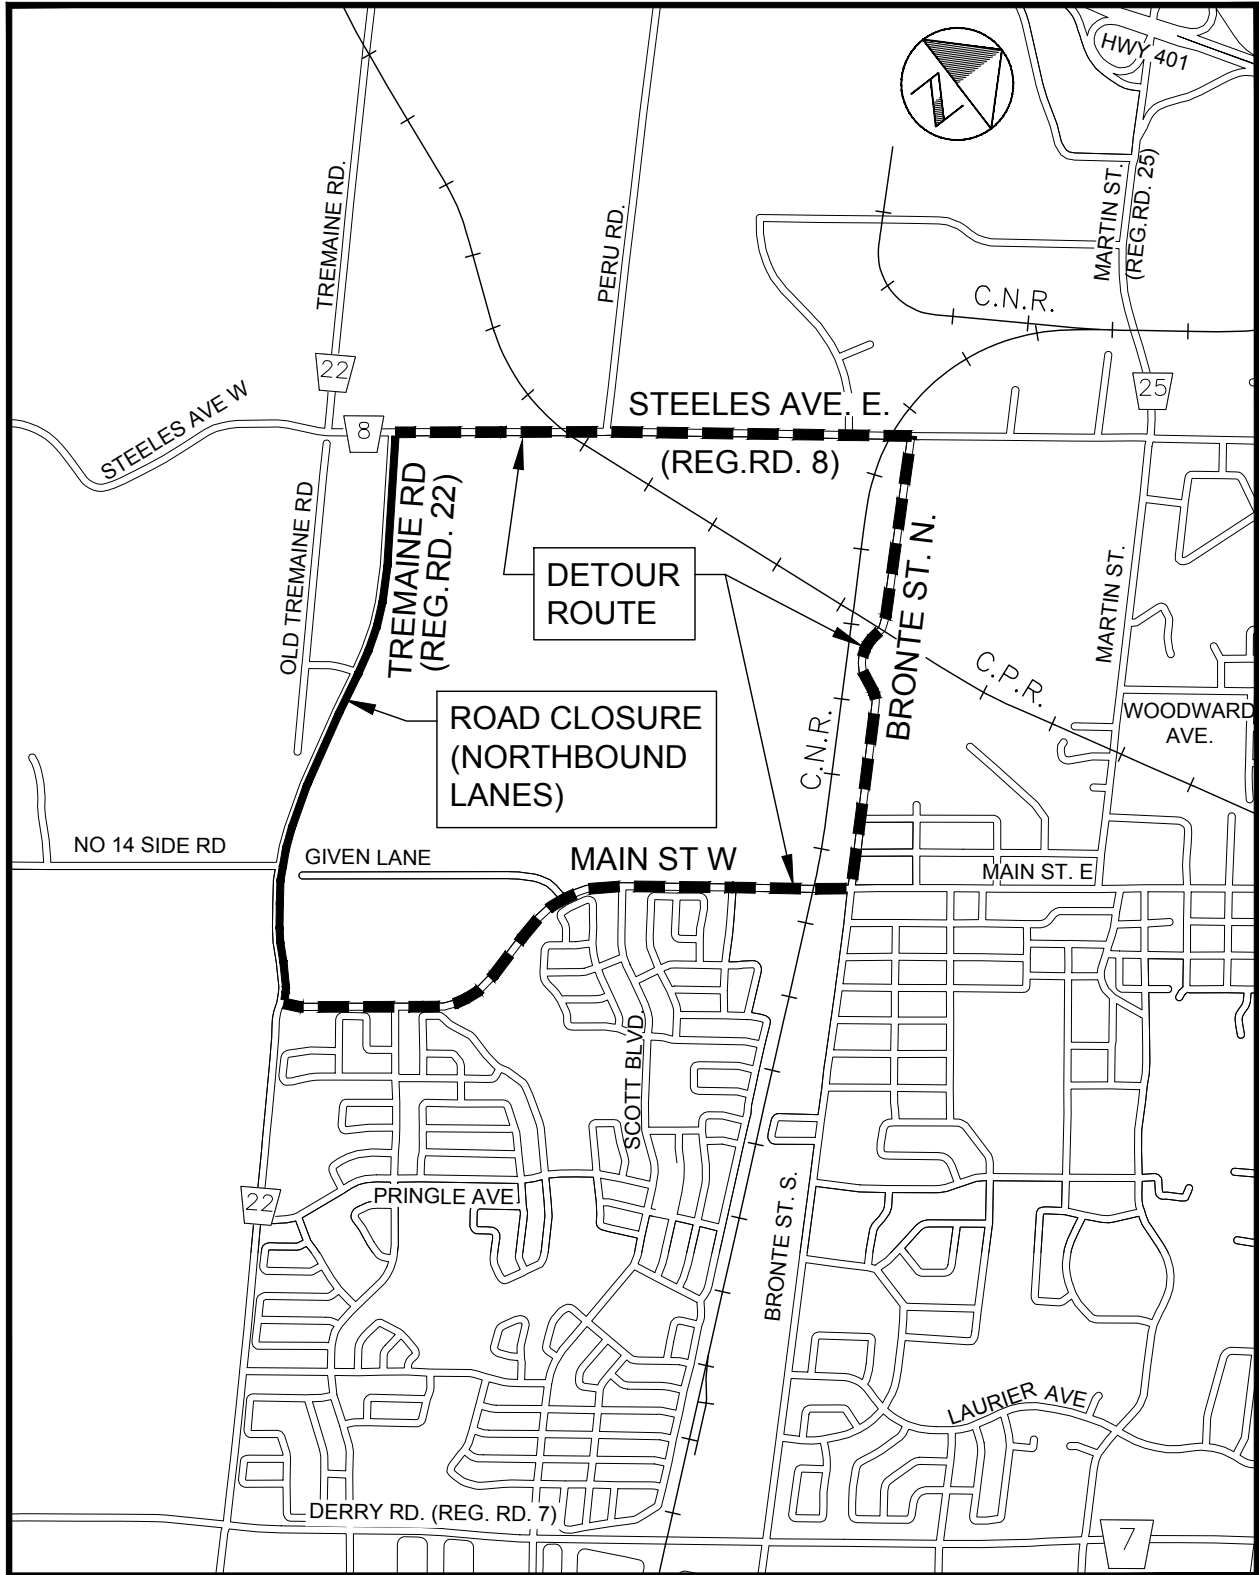

David Collum, P.Eng., PMP
Senior Project Advisor
