Disclaimer: *The work completed by a contractor is based upon an agreement between the homeowner and contractor. The Region is not responsible for any damages, losses or misconduct performed by your chosen contractor. For more details, please reference the Regional Municipality of Halton Basement Flooding Prevention Subsidy Program waiver form. It is recommended that homeowners obtain multiple quotes and request and follow up with the contractor's references. Please note the Better Business Bureau is also available for homeowners to obtain reliability reports on contractors.*
