Dear Sir/Madam:

Re: **Addendum No. 2**
Water and Wastewater Facilities Design Manual Version 1.0 - Appendix A

This is a notice of Addendum to the Water and Wastewater Facilities Design Manual (Version 1.0). The following changes shall take precedence over the original manual issued January 2012 and addendum #1 issued August 15, 2012:

- Appendix A - Approved Equipment List for Water and Wastewater Facilities (July 2012) will be replaced with Appendix A – Pre Qualified Equipment List for Water and Wastewater Facilities (March, 2013).

An electronic version of the original manual Water and Wastewater Facilities Design Manual (Version 1.0) and the new Appendix A – Pre Qualified Equipment List for Water and Wastewater Facilities (March 2013) are available for free download on the Region's website at the following link: www.halton.ca/designguides

A hardcopy of the manual is also available for purchase at Public Works Reception, Halton Regional Headquarters 1151 Bronte Rd., Oakville, ON L6M 3L1.

If you have any questions, please contact the GIS & Data Management Section at Tel: 905-825-6000 ext. 6032 or E-mail: MapRequests@halton.ca.

Sincerely,

A handwritten signature in black ink, appearing to read "Trish Holden", is written over a light grey circular stamp.

Trish Holden,
Manager
Business Services
Public Works Department
Regional Municipality of Halton
