

# Getting Ready for the Implementation of Human Papillomavirus (HPV) Testing in the Ontario Cervical Screening Program (OCSP)

On March 3, 2025 the Province is transitioning from Papanicolaou test (PAP) to Human Papillomavirus testing (HPV) for cervical cancer screening.

Join our Interactive HNHB Regional Cancer Program webinar for Burlington Primary Care for this HPV Update

**Wednesday February 5th 5:30PM - 6:30PM**

## Learning Objectives:

1. Cervical cancer in Ontario and the Ontario Cervical Screening Program
2. HPV and HPV testing
3. The implementation of HPV testing in Ontario
4. The tools to support me and my patients

## 2 Mainpro+ credits

Certificate of Attendance will be provided to those that attend and complete a post evaluation. Physician attendance is required. This program has been certified by the College of Family Physicians of Canada and the Ontario Chapter for up to 2 Mainpro+ Group Learning credit
