RE: COVID-19 Vaccine Update 14: Online booking system for Halton residents 80+ set to launch Wednesday

QUICK FACTS

- On Wednesday March 3, Halton residents who are 80 years of age or older, or someone on their behalf, will be able to go online to book an appointment for COVID-19 vaccine via halton.ca/COVIDvaccines or Halton's [COVID-19 Vaccination Clinic webpage](#).
- Halton residents can call 311 if they require booking support. Please only call 311 if unable to book online to ensure residents requiring support can be assisted.
- There will be appointments available to book for every resident who is 80 years of age and older during March and April. All appointments are contingent on the availability of vaccine supply.
- Please encourage residents under 80 years of age to not call 311 or visit the online booking system to ensure eligible residents have access.
- Appointments will be available for clinic sites in the City of Burlington, Town of Oakville, Town of Milton and Town of Halton Hills.
- Free transportation options will be available for all eligible residents if required.
- Halton's Vaccination Clinics are not open to the public and are available by appointment. There will be no walk-in appointments.

ADDITIONAL RESOURCES

- To get the latest information on Halton Region's COVID-19 Vaccine Program including [who is currently eligible](#), [transportation options](#) and how to book an appointment, please visit halton.ca/COVIDvaccines.
- Halton Region's website is being updated as the program progresses, and residents are asked to check this page regularly for the latest information.

Please report all suspected/confirmed cases of [Diseases of Public Health Significance](#) to Public Health immediately by calling 311, 905-825-6000 or toll free at 1-866-442-5866.
