Road Resurfacing Program

**Upper Middle Road (Reg. Rd. 38)
from Guelph Line (Reg. Rd. 1) to
Country Club Drive/Itabashi Way**

Road resurfacing

Notice of Construction – PR-3342

July 2020 - November 2020

About This Project

IMPROVEMENTS

Halton Region annually replaces the surface asphalt on various roadways across the Region to maintain and extend the life cycle of its roadways. Beginning July 2020, Halton Region will be resurfacing Upper Middle Road (Reg. Rd. 38) from Guelph Line (Reg. Rd. 1) to Country Club Drive/Itabashi Way, Wards 4 and 6, in the City of Burlington (see attached map for project limits). Improvements will include:

- Road repairs and asphalt resurfacing;
- New pavement markings;
- Storm sewer repairs;
- Driveway paving to property line on a case-by-case basis for each property (impacted properties will be notified in advance);
- Curb and sidewalk replacements;
- New tactile warning plates; and,
- New underground signal infrastructure.

The contractor for this project is Gazzola Paving Limited with project administration by Chisholm, Fleming and Associates.

Updates to the construction schedule will be available on the [Road Resurfacing Program](#) webpage on **halton.ca**.

PLANNING AHEAD

To help you plan ahead for construction activity, please read the project related information below. Wherever possible, mitigation plans will be put in place to minimize disruptions.

Driveway access: Direct access to your driveway may be restricted for short periods of time. We will provide advance notice of any planned restrictions.

Dust and mud: There may be increased levels of dust and mud near the work site. The contractor is required to manage these impacts.

Mail delivery: We do not anticipate any changes or delays to mail delivery. We will provide advance notice if there are any changes.

Noise: You may experience noise as a result of Regional improvements.

Precondition photos: In the coming weeks, a representative will take photos of the project site before the project begins.

Traffic delays: This work may cause traffic delays, lane shifts or lane restrictions. We will make every effort to minimize any potential inconvenience. Emergency vehicle access will be maintained at all times.

Truck traffic: You will notice occasional increases in truck traffic around the ongoing work. Please be aware and use extra caution while driving.

Vibration: You may experience some vibration due to ongoing work. As a precaution, we recommend that you remove or secure objects on shelves and walls.

Waste collection: Your garbage and recycling will continue to be picked up on your regular scheduled collection day.

MORE INFORMATION

Building a Better Halton is about more than construction. It is about investments in infrastructure, service delivery improvements and building complete communities that maintain the high quality of life that residents expect and enjoy.
