About This Project

IMPROVEMENTS

Halton Region has recently completed the **rehabilitation of wastewater sewer mains, laterals and maintenance holes on Glen Acres Court from Townsend Avenue to 20 metres north of Townsend Avenue, Ward 1, City of Burlington.** Any construction-related issues you may have should be communicated to the Region as soon as possible.

This project is part of *Building a Better Halton*, the Region's infrastructure construction plan for roads, water, wastewater, and waste management projects across Halton Region. For more information on Regional construction projects, please visit www.halton.ca/construction.

On behalf of Halton Region, thank you for your patience during this construction project.

MORE INFORMATION

Building a Better Halton is about more than construction. It is about investments in infrastructure, service delivery improvements and building complete communities that maintain the high quality of life that residents expect and enjoy.
