

Building a Better Halton

August 20, 2019

2019 Road Resurfacing

**Guelph Line (Reg. Rd. 1)
From Fairview Street
to Harvester Road**

Road resurfacing

Notice of Construction – PR-3286A

September 2019 - June 2020

About This Project

IMPROVEMENTS

Halton Region annually resurfaces various roadways across the Region to maintain and extend the life cycle of its roadways.

As part of the 2019 Road Resurfacing Program, Halton Region is resurfacing Guelph Line (Regional Road 1) from Fairview Street to Harvester Road, Wards 2 & 4, in the City of Burlington (see attached map for the project limits).

The contractor for this project is PAVE-AL LIMITED with construction administration by Wood Environmental & Infrastructure Solutions.

The 2019 program will commence in September 2019 with an anticipated completion date of June 2020. A detailed update to the schedule for the paving works on Guelph Line will be available on Halton Region's **Road Resurfacing Program** webpage in advance of major construction works.

Please submit your email address on the Program webpage to ensure you receive all project related updates.

Building a Better Halton

August 20, 2019

PLANNING AHEAD

To help you plan ahead for construction activity, please read the project related information below. Wherever possible, mitigation plans will be put in place to minimize disruptions.

Driveway access: Direct access to your driveway may be restricted for short periods of time. We will provide advance notice of any planned restrictions.

Mail delivery: We do not anticipate any changes or delays to mail delivery. We will provide advance notice if there are any changes.

Night work: Night work may be required as part of this project. We will provide advance notice of any change in work hours.

Noise: You may experience noise as a result of Regional improvements. Work will be scheduled in accordance with local noise by-laws.

Dust and mud: There may be increased levels of dust and mud near the work site. The contractor is required to manage these impacts.

Traffic delays: The project may cause traffic delays, lane shifts or lane restrictions. We will make every effort to minimize any potential inconvenience. Emergency vehicle access will be maintained at all times.

Truck traffic: You will notice occasional increases in truck traffic around the ongoing improvements. Please be aware and use extra caution while driving.

Vibration: You may experience some vibration due to the work being done. As a precaution, we recommend that you remove or secure objects on shelves and walls.

Waste collection: Your garbage and recycling will continue to be picked up on your regular scheduled collection day. The contractor is responsible for moving your garbage and recycling to a location where our collection vehicles can pick them up. Please mark your house number on containers or bins to help with identification.

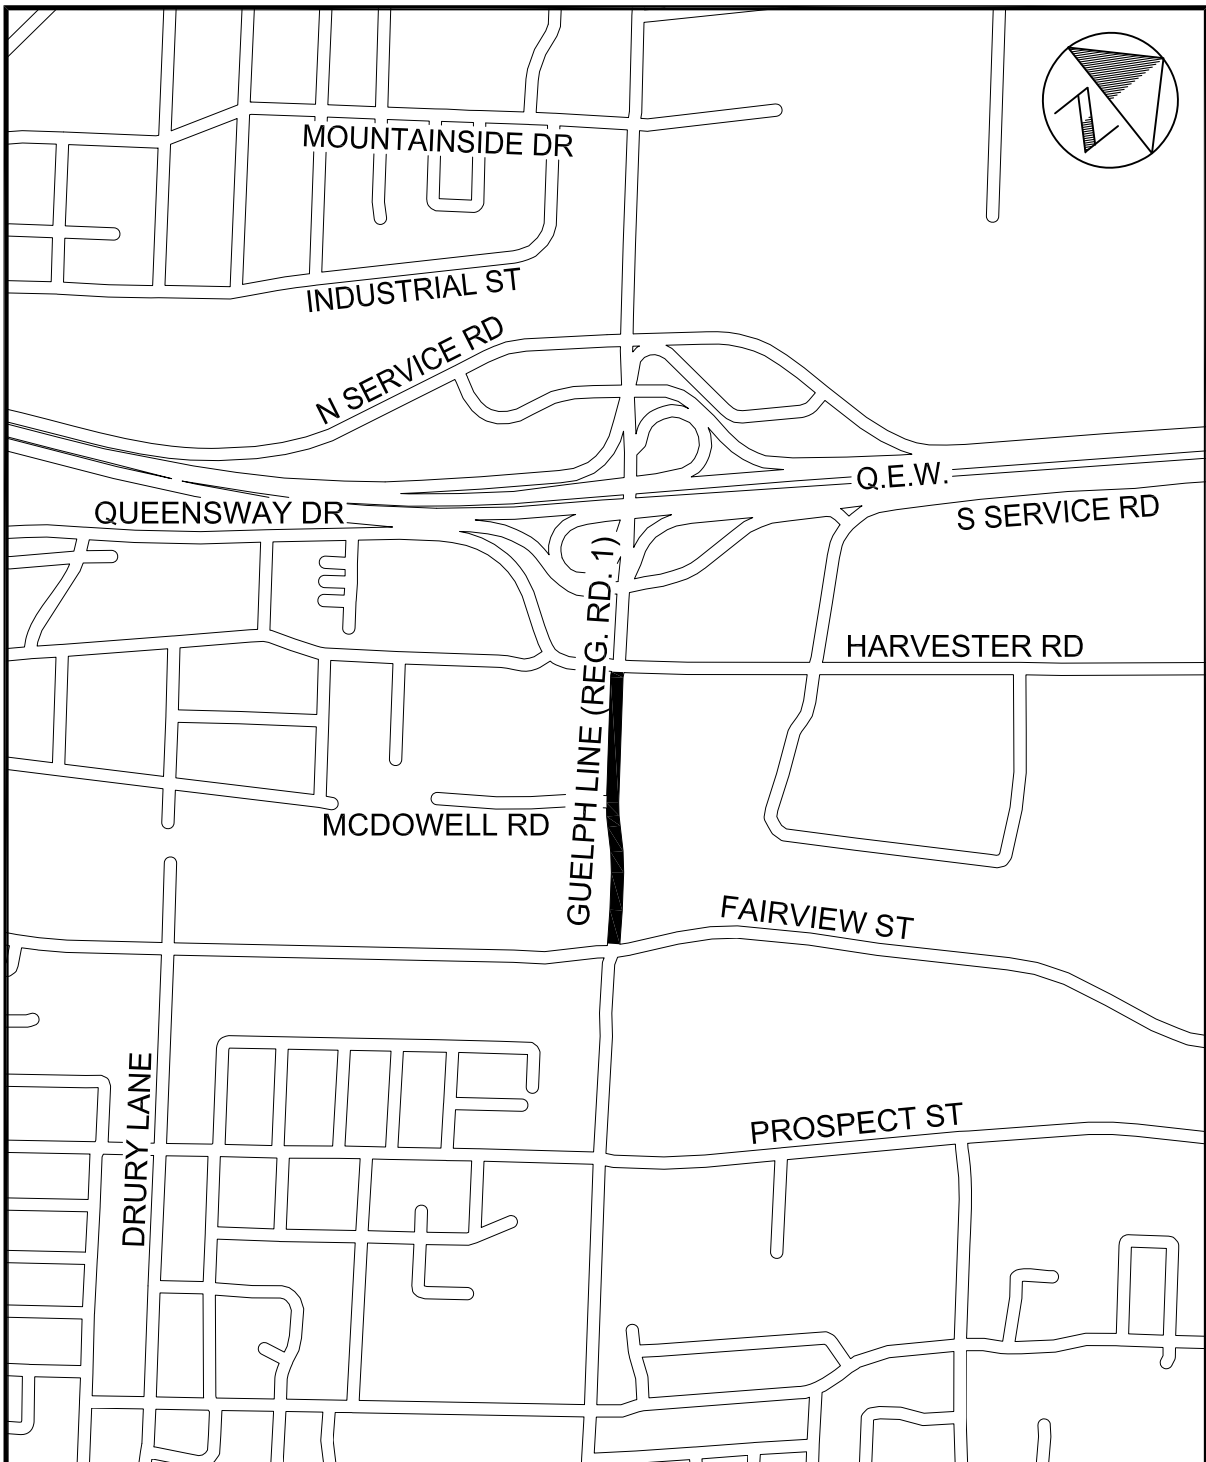

MORE INFORMATION

Building a Better Halton is about more than construction. It is about investments in infrastructure, service delivery improvements and building complete communities that maintain the high quality of life that residents expect and enjoy.
