

## Norval West Bypass: Next steps video – Text description

The following provides a text version of the audio that is included in the video, “Next steps.”

### Slide 25 (Study Schedule)

In terms of study schedule, the Project Team has completed Phase 1 (Problem and Opportunity) and is currently at the end of Phase 2 (Alternative Planning Solutions).

The Project Team will commence Phase 3 (Alternative Design Concepts for the Preferred Solution) and present these concepts at a future PIC, tentatively in Spring 2021.

### Slide 26 (Next Steps)

In terms of next steps, the Project Team will:

- review and respond to comments received from agencies and members of the public;
- confirm the preferred road corridor concept;
- develop and evaluate design alternatives (road alignments within the preferred corridor);
- identify a recommended preliminary preferred design;
- consult with technical agencies; and
- host a second PIC, anticipated in spring 2021.

We encourage you to submit any comments or questions to the project team by **Friday, December 18, 2020**. You can use the comment form on the webpage for the PIC or email us at [accesshalton@halton.ca](mailto:accesshalton@halton.ca).

Thank you for watching this video presentation and for your interest in the Norval West Bypass Municipal Class EA Study! Your input is important to us.
