Transit facilities

Notice of Road Closure – PR-2079B

February 22 to February 23, 2021

About This Project

Rosegate Way will be closed at the intersection with Trafalgar Road (Regional Road 3), Ward 6, in the Town of Oakville, on **Monday, February 22, 2021 at 6:00 am** as part of the Trafalgar Road Improvements project. Rosegate Way is expected to re-open on **Tuesday, February 23, 2021 at 7:00 am**.

Motorists will be detoured along Dalebrook Drive to the north and should expect delays when travelling through the area ([see attached map](#)).

We will make every effort to complete the construction work as quickly as possible to minimize the impact of the road closure. Emergency vehicle access and local access will be maintained at all times.

COVID-19 Update: Regional staff and contractors will be following health and safety guidelines set out by the Province and Public Health to help stop the spread of COVID-19. For more information, please visit halton.ca.
