Part 6: Appeal Specific Information

1. Provide specific information about what you are appealing. For example: Municipal File Number(s), By-law Number(s), Official Plan Number(s) or Subdivision Number(s):

Ministry’s Modification 118 Item 466 amending Section173 (5.1) Paragraph (c) that directs the Region of Halton to amend ROPA 38 to “Amend Maps 3 and 4 and Table 3 to reflect: Where the Province through the Environmental Assessment process, such as the Niagara to GTA and GTA West Transportation Corridor EA’s, has identified a preliminary route planning study area, the Region, and the Local Municipalities, shall undertake the necessary amendments to their respective Official Plans accordingly.”

2. Outline the nature of your appeal and the reasons for your appeal. Be specific and provide land-use planning reasons (for example: the specific provisions, sections and/or policies of the Official Plan or By-law which are the subject of your appeal - if applicable). **If more space is required, please continue in Part 9 or attach a separate page.**

This direction seems to indicate the Government of Ontario and the Ministry of Transportation has already made a decision on the routes of the Niagara GTA and GTA West corridor locations through Halton, despite having had no response from the Environmental Assessment and no indication that any route decision has been made. In effect, although the Ministry removed the “asphalt arrow” change requested in October 2010 they have re-instated its intent and have mandated an additional corridor.

The Stop Escarpment Highway Coalition (SEHC) opposes the construction of any new highways until the weaknesses in the Draft Transportation Development Strategy have been addressed and Metrolinx’s “The Big Move” Transportation Strategy is fully funded and has been implemented, and accordingly we do not want to have the highway corridors imposed without these issues being addressed.

**THE FOLLOWING SECTIONS (a&b) APPLY ONLY TO APPEALS OF ZONING BY-LAW AMENDMENTS UNDER SECTION 34(11) OF THE PLANNING ACT.**
