HWMS visitor information

- For health and safety reasons, Container Station Attendants are not permitted to assist customers with the unloading of materials. **Pre-arrange assistance to help unload heavy material, if needed.**
- Secure all open loads with a tarp or rope.
- Customers are expected to sort their loads by material type. Pre-sort loads prior to delivery to the HWMS for quick and easy unloading.
- Remove all fluids (gas, oil, etc.) from gas powered equipment such as lawnmowers.
- Oil drums and tanks must be empty and cut in half.
- Concrete/asphalt with rebar or wire mesh cannot be accepted for recycling. These items are accepted as garbage at the tipping fee of \$170/tonne.
- Customers dropping off clean fill, woodchips, bricks, rubble or concrete, material must be removed from bags or containers prior to disposal.

Reuse Depot

Halton residents can drop off items that are in good condition and fit for resale at the Reuse Depot, located within the HWMS, free of charge.

Visit halton.ca/waste for a complete list of acceptable items and restrictions.

Blue Boxes and Green Carts

If necessary, residents can pick up one Blue Box or Green Cart at the HWMS, but will be required to pick up their own container and carry it to their vehicle.

Orange Box for household hazardous waste

- Pick up an Orange Box at the Halton Waste Management Site.
- Orange Boxes are free of charge and are limited to one per household.
- Orange boxes are used to collect, store, and transport your household hazardous waste to the HWMS Household Hazardous Waste Depot or on Special Waste Drop-off Days.
- **There is no curbside collection for the Orange Box.**

Backyard composters

- Pick up a backyard composter at the Halton Waste Management Site.
- Composters are \$15 each and are limited to two per household.
