

Financial Assistance for Dental Treatment

Halton Region provides financial assistance for dental treatment to kids aged 0-17 who qualify, through Healthy Smiles Ontario.

Who may be eligible?

- Children and youth age 17 and under, who are residents of Ontario from a household that finds it hard to pay for dental treatment or meets the low income requirements (with or without dental insurance coverage).

Requirements

Contact Halton Region by calling 311 to find out if an assessment is required and to determine if your children qualify.

Important tips to remember:

- Your child should be brushing at least twice a day and flossing daily.
- Encourage your child to eat healthy foods.

Families may also qualify for the Canada Dental Benefit - for program details, visit Canada.ca/dental.

For more information about oral health, visit halton.ca or call **311**.
