

Do you have any of the following:

Fever or chills

New or worsening cough

Difficulty Breathing

Sore throat, trouble swallowing

Nasal congestion or runny nose

Loss of taste or smell

Tired or sore muscles

Nausea, vomiting, diarrhea

In the last 14 days, have you:

been in close contact with someone who tested positive for COVID-19?

or

been in close contact with someone who is sick with a new cough, fever or difficulty breathing?

or

returned from outside Canada in the past 14 days?

If you answered YES to any of these questions, go home and self-isolate right away. Call an Assessment Centre to get tested for COVID-19.
