5. Description of program/initiative: Provide a description of the program/initiative and the impact it is intended to achieve. (*Maximum: 300 words*)

6. Use of funds: Provide a brief description of how the funds would be used if the program/initiative is approved for funding. (*Maximum: 100 words*)

7. Target group/population(s) served: Describe the population or community that will benefit from the program/initiative. As noted in the Funding Guidelines, proposals must impact the health, safety or well-being of populations that are vulnerable (or at risk of becoming vulnerable) to negative health or social outcomes. This includes programs that work upstream to prevent vulnerability. (Maximum: 100 words)

8. Equitable access to service: Halton Region recognizes the importance of reducing barriers and enhancing programs and services for diverse communities. Please identify how the program/initiative will reach and support diverse, equity-seeking or marginalized populations in Halton. (Maximum: 100 words)

9. Evidence of need:

(A) Provide evidence to support the need for this program/initiative **and why it should be considered a priority in Halton**. This can include data collected by your organization (e.g., program evaluation, program trends and statistics); community data (e.g., planning or research documents, statistics, information from community consultation processes); and the broader literature. If the design or delivery of the program/initiative is based on best practices and/or evidence-based practices, please describe. *(Maximum: 400 words)*

(B) Gaps/needs: Are there similar programs/initiatives in the community? If so, how does the request complement existing initiatives or address a gap. *(Maximum: 100 words)*

10. Service targets: Use the table below to indicate the number of clients/participants that are expected to directly benefit from the Halton Region funding for the program/initiative by municipality.

Reminder that all HRCIF funded requests must be focused solely on providing services to Halton residents.

Please define the unit of measurement (examples: one client = one youth served; one client = one workshop participant; one client = one household served):

One unique client =

We recognize that organizations may have different methods of collecting service numbers, gathering the number of unique clients served and/or the amount of service to clients through another measure (examples: number of visits, number of contacts). If applicable, please indicate both the number of unique clients served and number of clients served through another relevant measure.

Another measure =

Municipality	Current Program Year Targets Achieved (if applicable)	Service Targets for 2022	
	Unique Clients	Unique Clients	Another Measure
Burlington			
Halton Hills			
Milton			
Oakville			
Halton Total

Section 3: Budgets & Other Funding Sources

1. BUDGET 'A' – Breakdown of Funds Requested from the HRCIF:

Complete Budget A (table below) to identify how funds requested **from the HRCIF** would be used if the program/initiative is approved for funding. **Note:** All activities and expenditures must be completed during the funding period.

Instructions for applicants:

- Staffing budget line - insert position title(s) and relevant information into each fillable field in column 2. The total staffing request will be automatically calculated and show in column 3 as applicable.
- Remaining budget lines - provide a brief description in column 2 for each expense. For example, if the request includes a laptop and craft supplies, column 2 for the Equipment, materials, supplies and capital items line would be written as laptop \$800, craft supplies \$250. Insert the total requested amount for each budget line into the fillable field as applicable (column 3).
- The form will automatically calculate the total HRCIF request based on the budget lines entered.

Section 4: Work Plan and Section 5: Authorization

Section 4: Work Plan

Instructions (work plan template is on following page)

Complete the work plan to identify program/initiative goals, key activities, specific targets/objectives and evaluation methods. Some examples have been provided below, and are only meant to illustrate the instructions. They are not intended to suggest the amount or type of information that is appropriate for a funding request. If the application is approved for funding, the work plan will be used to establish accountability requirements in the funding agreement.

- **Program/initiative goals:** Provide a brief description of each key goal the funding request is intended to achieve. **For example:** 'Enhance social connectedness among older adults experiencing isolation in xyz neighbourhood who are vulnerable to negative health and social outcomes.'
- **Key activities:** Essential tasks that are needed to achieve goals/targets. **For example:** 'Promote program to older adults living in abc neighbourhood through xyz community programs, flyers and word of mouth.'
- **Specific targets/objectives:** Specific results the program/initiative is intended to achieve. Targets/objectives should demonstrate the impact the program/initiative is intended to achieve for clients or within the community. Targets should be specific, measureable and achievable within the granting period. Set targets that address:
 - **Program deliverables - For example:** the # number of clients that will be served, # of sessions that will be delivered, # weeks of programming provided, # of meals served, etc.
 - **Program performance - For example:** targets that address satisfaction, % meeting standards, % increase in efficiency, etc.
 - **Client impact -** This includes changes in circumstance, knowledge, skills, attitude, and behaviours. **For example:** '80% of older adults participating in the program will report that they feel more connected to others in their neighbourhood.'
- **Evaluation methods:** How will the organization measure progress towards specific targets/objectives? This can include both quantitative and qualitative methods. **For example:** tracking attendance, delivering a client survey.

Work Plan Template

Goal What are the overarching objectives of the program/initiative? (see example above)	Key Activities What are the specific things you will do to deliver the program/initiative? (see examples above)	Specific Targets and Impact What are the specific targets and impacts related to the Goal and each Key Activity? (see examples above)	Evaluation Methods What are the methods you will use to measure each target/impact? (see example above)
