**RE: NOTICE OF PLANNED CONSTRUCTION  
Wastewater Sewer and Service Lateral Construction and Rehabilitation on  
Park Avenue Easement and Tidey Avenue, Ward 1, Town of Halton Hills,  
Our File: PR-30420**

---

Dear Resident/Property Owner:

Halton Region is assessing the condition of wastewater sewers and service laterals on the Park Avenue Easement from Knox Street to 179 metres west of Knox Street and on Tidey Avenue from Elizabeth Drive to Elmore Drive, to meet the need for updating Halton Region's wastewater infrastructure (see attached map). The construction of this project is tentatively scheduled to begin in the fall of 2018. A more detailed letter will be sent out once the proposed construction dates are confirmed.

As part of the project design process, Halton Region staff will be surveying, locating, and marking above-ground and underground infrastructure within this area. **Please do not disturb or remove any stakes or paint markings from your property. Our staff will remove them once the survey work is completed.**

It may be necessary for our staff to enter your property to determine the elevation of your basement. Your permission will be requested prior to entry. Please note, all Regional staff carry photo identification.

This project is part of *Building a Better Halton*, the Region's infrastructure construction plan for roads, water, wastewater, and waste management projects across Halton Region. For more information on Regional construction projects, please visit [www.halton.ca/construction](http://www.halton.ca/construction).

If you have any questions or require additional information, please dial 311 or contact me directly at 905-825-6000 (toll-free 1-866-442-5866), ext. 7141, or by email at [alexander.andrenkov@halton.ca](mailto:alexander.andrenkov@halton.ca).

Thank you for your cooperation.

Sincerely,

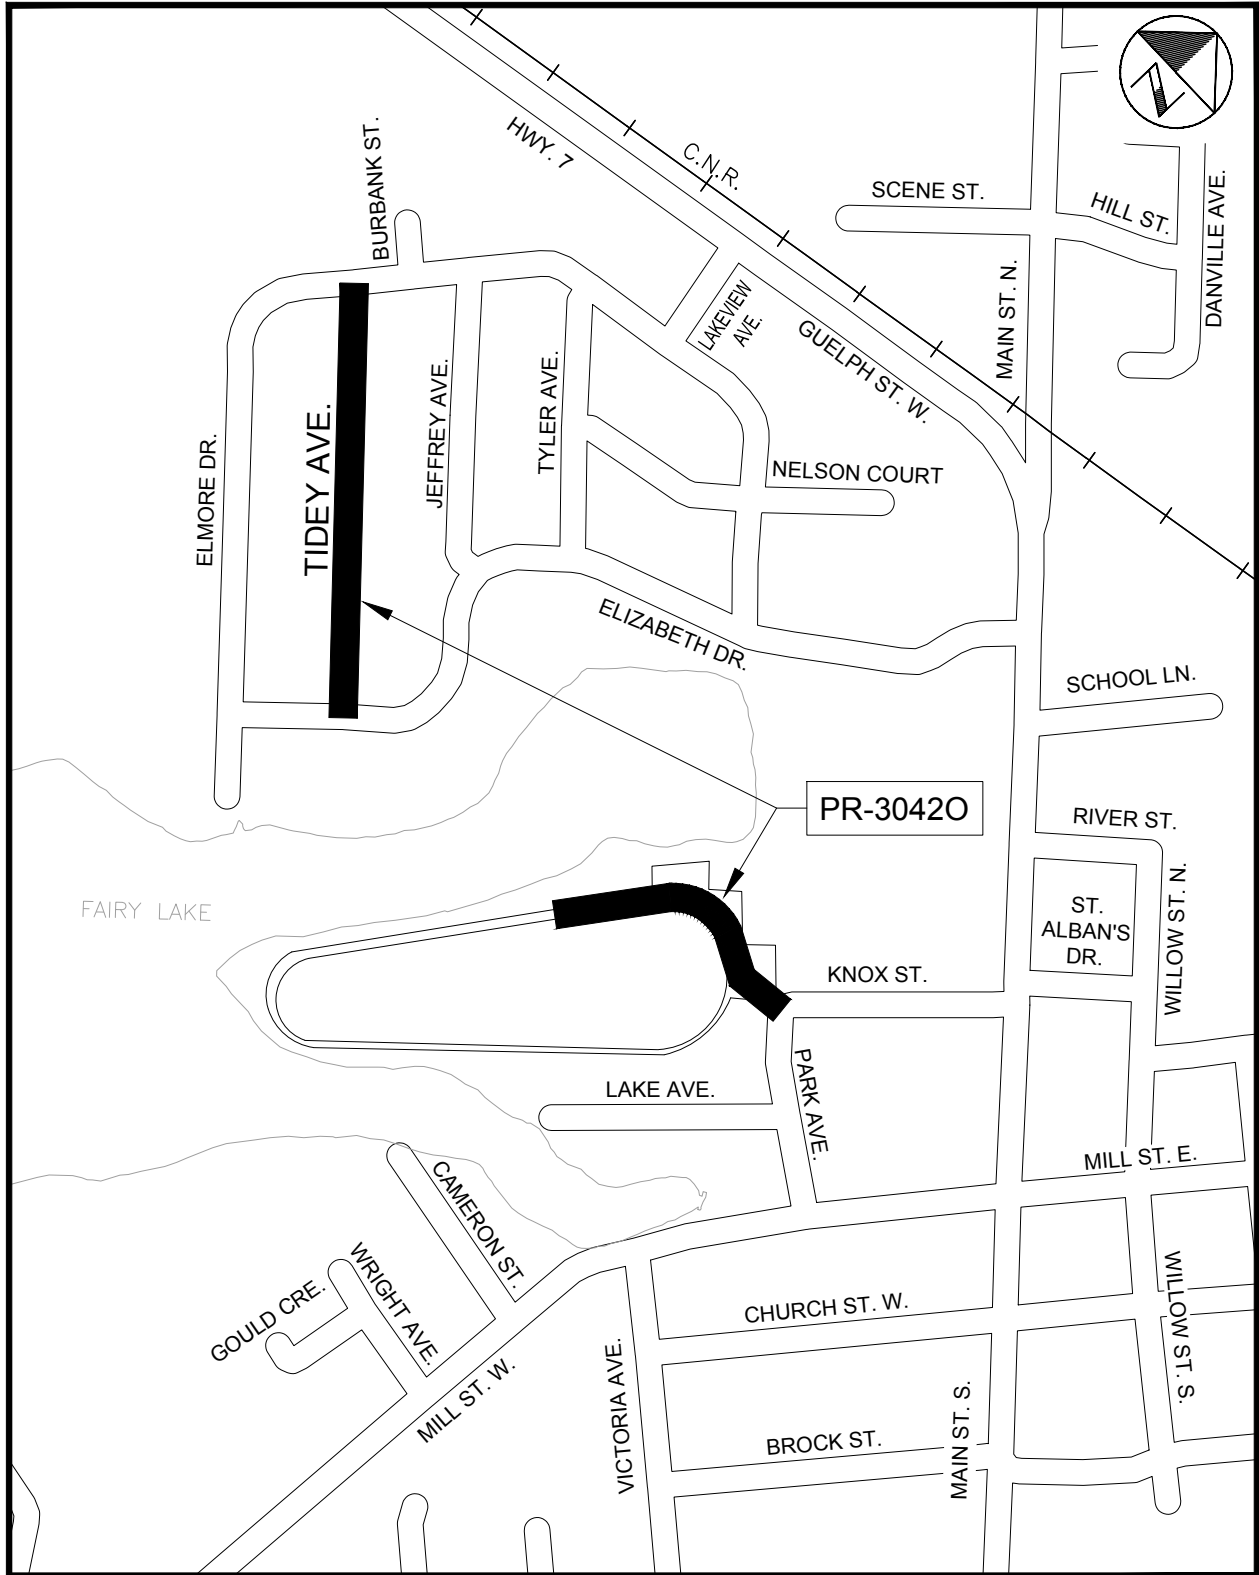

Alexander Andrenkov, P. Eng, M.Eng.  
Project Manager
