We also invite operators to complete a short webinar feedback survey. This survey aims to better understand the child care sector's needs and will help the Region develop additional supports to ensure a smooth implementation of the 2025 CWELCC cost-based funding formula. Please find the survey [CWELCC Webinar: Follow Up Survey](#). We appreciate your time to complete the survey, and your feedback is important to us.

Thank you for your continued partnership on the implementation of the CWELCC in Halton.

Sincerely,

Christina Gallimore
