Britannia Road (Reg. Rd. 6)

Phase 1: Tremaine Road (Reg. Rd. 22) to Reg. Rd. 25

Widening to 6 lanes

Bridge

Traffic signals

Project Update – PR-2667B

November 2020

About This Project

Halton Region continues to make improvements to Britannia Road (Reg. Rd. 6) to accommodate growth, provide safe alternative transit options and improve traffic flow. As work continues along the corridor, the Region would like to update you on the temporary traffic conditions along Britannia Road between Tremaine Road (Reg. Rd. 22) and Regional Road 25, Wards 3 & 4, in the Town of Milton.

1. As scheduled, **Britannia Road** between Tremaine Road and Farmstead Drive will reopen on November 30, 2020. Please drive safely, as construction is still ongoing in this area.
2. Access to **Farmstead Drive** will be closed at Britannia Road, starting Tuesday, December 1, 2020 at 7 a.m. and ending Tuesday, December 8, 2020 at 7 p.m.

This closure will help facilitate the construction of the storm sewer across Farmstead Drive.

3. Access to Britannia Road at **Chretien Street** will remain restricted until October 2021.

As Chretien Street is not a signal-controlled intersection, access has been limited to ensure the safety of motorists at this intersection until the widening of Britannia Road is complete.

A detour route will be implemented to safely accommodate traffic and minimize delays caused by the restrictions at Farmstead Drive and Chretien Street (refer to attached

Building a Better Halton

map). Please plan ahead, follow detour signs and drive safely.

Britannia Road will remain open to east and west bound traffic. Both First Line/Bronte Street and Leger Way will have full access to Britannia Road during this time.

Please be aware that a **Construction Ambassador** has been assigned to this project and can meet with you to address any questions you have about the project or this closure. Please contact Access Halton (see below) for any inquiries.

To receive future email updates regarding this project, please sign up on the Britannia Road Corridor Improvements page at halton.ca.

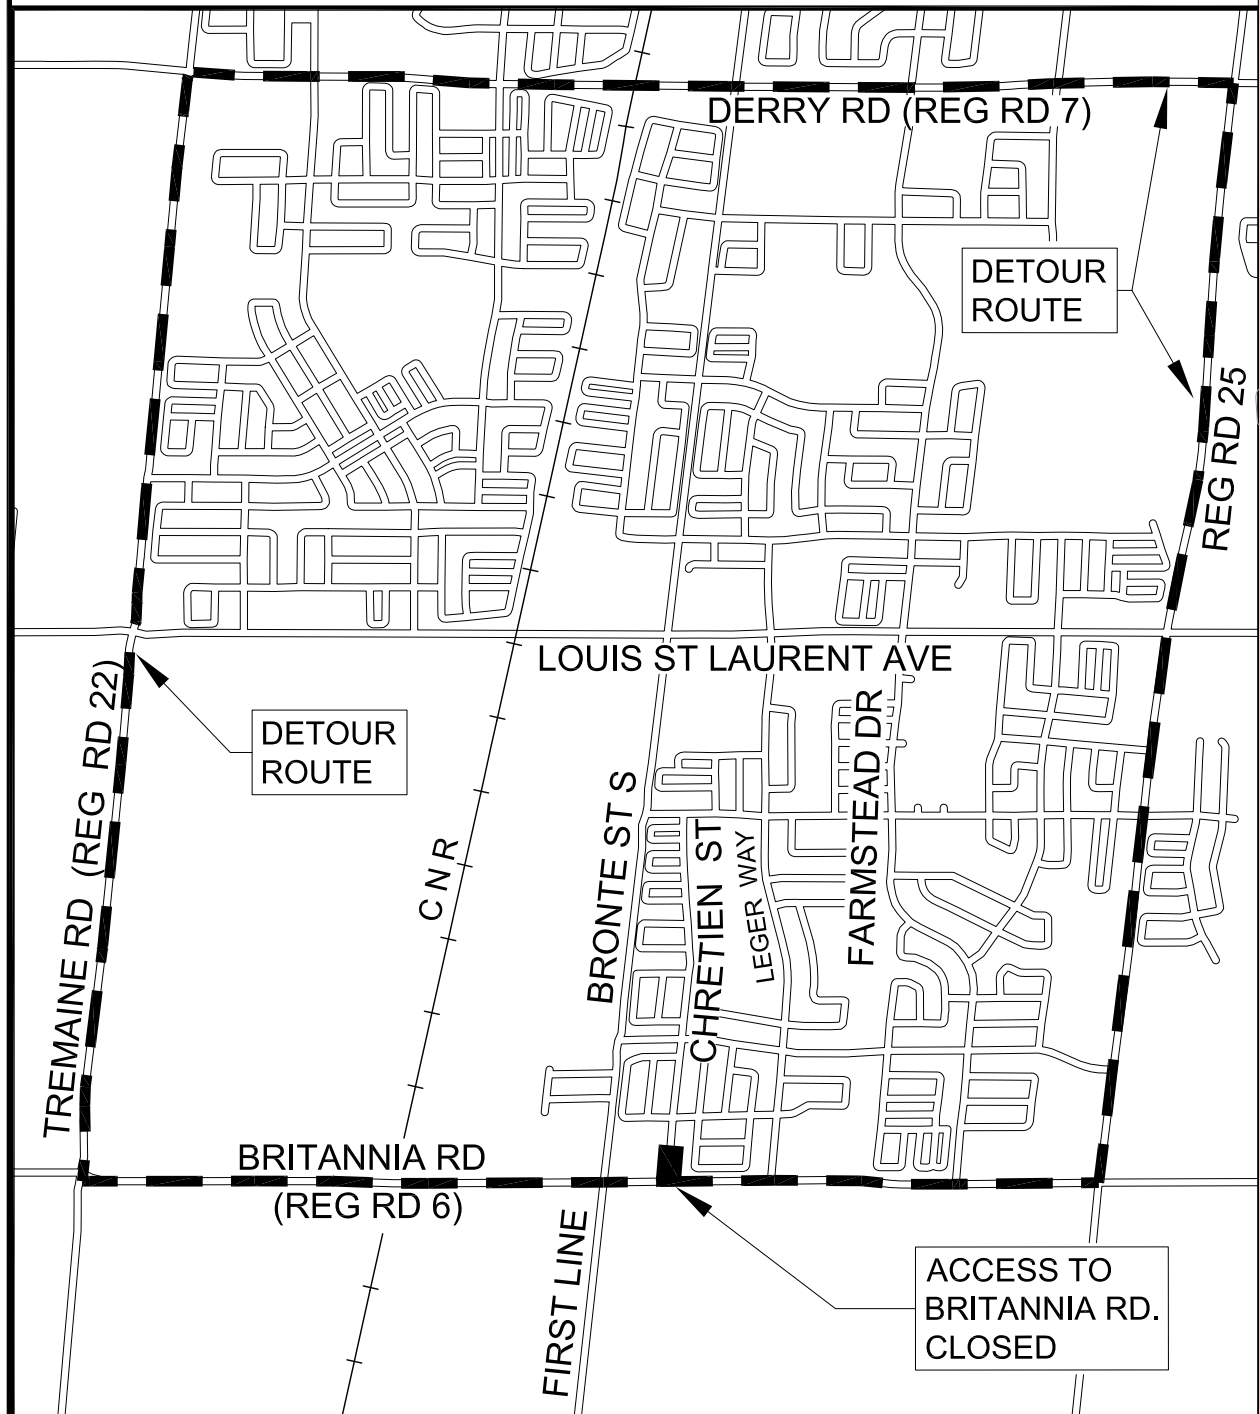

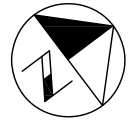

MORE INFORMATION

Building a Better Halton is about more than construction. It is about investments in infrastructure, service delivery improvements and building complete communities that maintain the high quality of life that residents expect and enjoy.
