Cross Connection Control Program, Halton Region, 1151 Bronte Road, Oakville, Ontario L6M 3L1

"I have included copies of my professional certification, including a copy of my Tester's License and the Test Kit Calibration Certificate. Please add my information to the Halton Region - List of Authorized Tester's for publication on the Halton Region website and for information to Halton Customers. I understand that in order to remain on the list, it is my responsibility to ensure all my documentation is up to date and forwarded to Halton Region prior to expiration of each of the above listed documents. "
